CONDITIONS OF SALE

1.—The highest bidder shall be the purchaser, and if any dispute between two or more bidders the lot to be put up again and re-sold at the discretion of the Auctioneers, who reserve the right of refusing any bidding and withdrawing any lot from the sale.

2.—No bid after the first shall be made of less than 1/- more than the preceding offer, or if above £5 less than 2/6 than the preceding offer, and so on in proportion. The Auctioneers will use their own discretion as to the acceptance of cheques.

3.—The purchaser shall give his or her name and address, and also pay a deposit of 5/- in the pound; such deposit to apply to all other lots purchased by the depositor in the present sale. Any purchaser may be required to pay the whole of the purchase money immediately after the fall of the hammer if considered necessary by the Auctioneers.

4.—The lots must be cleared (by an Order to be obtained from the Auctioneers), with all faults, imperfections, and errors of description, at the purchaser's risk and expense. **THE DAY AFTER THE SALE** in default the vendors cannot be held responsible if any lots are lost, damaged or destroyed. The Auctioneers do not hold themselves answerable for the correct description of any lot, nor do they guarantee the maker. Should a case arise on which an allowance is deemed necessary by the Auctioneer, he shall be at liberty either to retain the Lot or make such allowance, computing the same at the rate the Lot was sold for at the auction. In cases where one buyer purchases more than one Lot, the whole of the account of all the Lots purchased is to be paid for before any one Lot is delivered.

5.—Any purchaser who shall neglect to pay for and take away any lots he or she may have purchased within time specified for clearing (they not having been sold again—see Condition 6) shall pay in addition to the purchase money the sum of One Shilling per week for each lot for warehouse room, and also at the rate of £5 per cent. per annum interest on the purchase money to be reckoned from this day.

6.—On failure of compliance with the above conditions the money deposited shall be forfeited, and the lots which shall remain uncleared shall be sold by public or private sale, without notice to the purchaser, and the deficiency (if any) by such second sale together with all charges attending the same, shall be made good by the defaulters at the present sale.

The Auctioneers act only as Agents for the Vendor or Vendors and shall not be considered personally responsible for any default or the part of any purchaser.

All lots to be taken as shewn with all faults and imperfections in this sale.

The only manner in which goods can be cleared, is by an order issued by the Auctioneers. No other clearance is allowed or recognised.

All piece goods sold 36 inches to the yard.

All Goods not cleared within one week of sale will be subject to warehouse charges.
